Testimonials from Customers...

“This product sticks better on the 5th wheel plate the more times it is used – and the drivers really like it.”

Donnie, Roland Transport, Inc.

“The lubepaste retains on the plate better than the petroleum products we were using, and at no extra cost.”

Jeremy, Ihle Transport, Inc.

“The lubepaste product spreads more evenly to cover the plate, and really stays on during transport.”

Jerry, Green Products Company

“Drivers say the lube stays better, especially on the trucks with shorter runs.”

Randy, Cedar Valley Transport, Inc.
